Subject - Employment of two Ghurka watchmen on a pay of Rs 25 + 15 D A each for keeping watch over the Octroi Koti of this Municipality

Sir,

With reference to your letter No L 16997 on the above subject, I have the honour to forward herewith a copy of the report No 03 P R 153/47-48 dated 5-6-1948 received from the Octroi Superintendent

2 It is seen therefrom that the watch and ward work of the Octroi Koti was being attended hitherto by a pahara man helped by two peons every night and owing to the occurrence of the incident on 6-4-1948, the peons represented that unarmed as they were, it was dangerous and impossible for them to resist such attempts

3 The services of local men are no doubt available but as they too are unarmed the problem remains unsolved and no Ghurkas who are armed men come for lesser emoluments

4 In the above circumstances, sanction of Government may kindly be accorded to the entertainment of these two ghurka watchmen on the pay proposed

I have the honour to be,
Sir,
Your most obedient servant,

Copy of report No 03 P R 153/47-48 dated 5th June 1948 from the Superintendent, Octroi & Toll to the Municipal Commissioner, Bangalore City

The watch and ward work of the Octroi Koti was being attended to hitherto by a para man, who was helped in his work by two peons every night This was being continued all these days But on 6-4-1948 there was an attempt to remove bales by some persons during the course of which, a dagger was thrown at the peons on duty The peons represented that, unarmed, they were incapable of resisting such attempts without endangering their lives Further, the stocking of bales in the godowns also increased enormously, due to the non-availability of the wagons for transporting the bales outside For want of accommoation inside the koti, the bales have been left in the open yard also So, with a view to see that there was safety of person and property and as it was found from experience that the Gurkhas proved very good watchmen, it was recommended that 2 of them may be appointed as watchmen As regards the pay now proposed to them, the undersigned submits that even at this rate, no Gurkha was willing to take up the duty, but the hope that one day they would be confirmed and would get the amenities given to other permanent hands induced them to accept the job

In these circumstances, it is submitted that sanction may kindly be accorded to this appointment
